A Chicago native, Dr. Pearce currently resides in his hometown with his family.

SPEECHES

Inspired Leadership Leaders are expected to be constant sources of inspiration, motivation, and vision for their teams, organizations, and beyond – in short, leadership is hard, often draining work. But the hard work of leadership is made even tougher when the leader is struggling with his/her own personal purpose for leading. In this keynote, leaders will be invited to deeply explore their vision, values, and vocation as the fuel for inspired leadership. This introspective, challenging, and energizing talk has been described by audiences around the world as "a welcome oasis for the leader's journey."

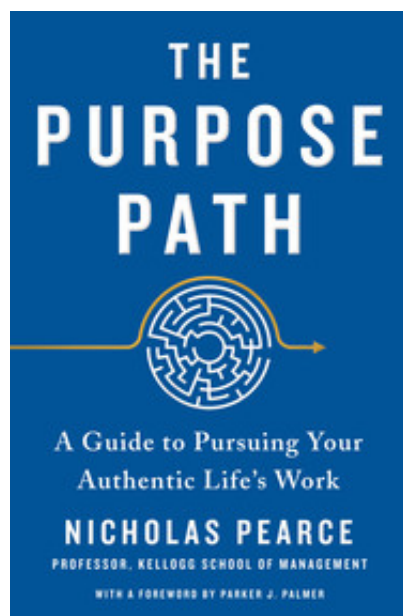

The Purpose Path Many of the world's most successful companies – Apple, Disney, Google – are not simply profit-driven, but purpose-driven. They let the reason for which they were created drive what they do every day. But what about us? How do we define our purpose, the why behind the work we do? How can we find the inspiration to pursue more than just a paycheck and ultimately fulfill our authentic life's work? How can organizations leverage the power of purpose to drive impact? This thought-provoking keynote inspires audiences of all ages to courageously embark upon the journey of aligning their daily work with their life's work - to connect their soul with their role. This talk is also available in a "fireside chat" format.

Leadership Labs (Leadership Development Workshops) Dr. Pearce offers half-day and full-day workshops that integrate cutting-edge insights from the social & behavioral sciences with proven practical strategies to create transformative light-bulb moments for leaders and teams in corporations, social impact organizations, and governments. From annual conferences to leadership retreats, to year-long talent development programs, Dr. Pearce partners with organizations around the world to invest in developing the leadership capacity of their people. These sessions draw extensively on Dr. Pearce's award-winning courses at Northwestern University's Kellogg School of Management.

The Purpose Path: Sermon Series Living in purpose is a matter of being faithful and obedient to one's

God-given calling, no matter the cost. Built upon selected biblical texts, Dr. Pearce has developed a sermon series entitled The Purpose Path, including messages on the lives and callings of scriptural heroes including Jesus, David, Elijah, Moses, Joshua, Jonah, Paul, and Peter. Offered as a month-long series or for an individual worship service, Dr. Pearce delivers 25-45-minute sermons for churches, chapel services, and conferences around the world.
